

Happy Holidays

December Newsletter

School Message

I want to take a moment to *recognize the wonderful start* we've had to the school year. From kindergarten through grade 7, our students have been engaging in a wide range of learning opportunities. They have been working hard, taking risks, and showing tremendous growth. We are so proud of the effort, energy, and enthusiasm they bring each day.

This success is supported by the dedication of our staff, the ongoing partnership of our parents and guardians, our PAC, and the wider community. Your continued involvement helps create the caring learning environment students need to take risks, make mistakes, and grow through their learning.

Today Term 1 Report Cards were sent home to families. Please review the report card with your child and help them celebrate their strengths and discuss a personal goal for term 2.

We hope this season brings rest, joy, and rejuvenation to all of our families. We look forward to welcoming students back to school on January 5, 2026!

Wishing you all a warm and wonderful holiday season.

Positive Recognition

We had our November / December Positive Recognition Assembly on Tuesday! The staff are noticing the effort and personal growth our students are putting in. Congratulations to everyone for their hard work and for demonstrating such a strong teamwork! There are another five or six students who were missing during the assembly and they will receive their certificate and cookie when they return to school.

Breakfast for Lunch! FRIDAY

Our PAC is putting on a whole school lunch with a very special guest this Friday!

Pancakes are on the menu! We are looking forward to getting together and kicking off our festive spirit with PJ Day

Christmas Concert

Wednesday, December 17th

Day Performance - 1:00 pm

Evening Performance - 6:00 pm

Students will remain in their classrooms for the duration of the concert expect for when their class performs. For the evening performance teachers will be ready to receive students **in classrooms at 5:45 pm**. We thank our audience for staying for the duration of the concert! We are looking forward to seeing you there!

Parking

There will be accessible parking at the front of the school for families with limited mobility. All other families are to park in the church parking lot or along side the road.

Snow Stays On The Ground

Throwing snow of any kind will have a school consequence. We don't throw snow at people or property. Also, please talk about respecting others' snow creations as it is very upsetting when someone destroys the snowman or fort that you have put in a lot of time in building. We have a lot of winter to go and we can enjoy our time outside playing in the snow together!

Snow Days or Cold Weather Days

It is sometimes necessary that due to unsafe conditions school buses do not run. In this case, you will receive an email and it will also be shared on our District Website and the local radio. The school is always open. However if the buses are cancelled all field trips that may have been planned for that day will automatically be cancelled and we will do our best to reschedule the event.
